

8th SEEC
 Congress Center, Premium Beach Hotel
 Golem, Durres, Albania
 12-15 October 2017
First Announcement

Dear colleagues and friends of SEEC,

On behalf of the Organizing Committee, it is my great pleasure and honour to invite you to participate in the 8-th SEEC to be held on 12-15 October 2017, at the Premium Beach Hotel, in Golem, Durres, Albania.

After seven very successful consequent South-East European Conferences on Chemotherapy, Infections and Cancer, organized in a very friendly atmosphere in seven different countries from the Region, now

it is time for Albania to take over the responsibility to gather all of you in a nice resort at the Adriatic sea-side.

Recalling a very ancient saying: “Who does not Respect History, He has no Future”, I’d like to express our warmest gratitude to the founder of SEEC and its first chairperson Prof. Dr. Krassimir Metodiev, who initiated this unique forum in Varna-Bulgaria (2010) and together with all our friends from Belgrade-Serbia (2011), Dubrovnik-Croatia (2012), Istanbul-Turkey (2013), Bled-Slovenia (2014), Thessaloniki-Greece(2015) and Sibiu-Romania (2016),

made possible the progress of this conference to benefit the health-care and medical science. I very much hope that we shall continue the current energy of our meetings and I am sure Albania shall be proud to be the host of the 8-th SEEC.

We invite you to come and join us to meet and interact with old and new colleagues and friends and spend a few interesting and relaxing days in Albania.

Sincerely,
Prof. Arjan Harxhi
Chair

Main Topics: infections (all aspects), cancer (all aspects), chemotherapy (infectious and oncology), varia
Presentations: plenary lectures (30 min), short oral communications (10 min), posters, topical round-tables and seminars (TBA)
Venue of the Conference: Premium Beach Hotel, Golem Durres, Adriatic Seaside.
